

TIMETABLE

Elsie J. (Titus) Martin

With my handsome face
And sturdy hands
I might make
A lot of plans

If something pleasant
Is going too fast
You might want to slow it down
And make it last

If there is a time
You need to go
Better not move
Quite so slow

I think that we will
Probably find
That every thing we do
Is timed

If something important
Is impending
On me
You might be depending

I hope this doesn't come
As a shock
For I am as ever
Your faithful clock
